8:00 AM

Meeting called to order at 8:00AM by First Selectman Paul Roy. Theresa Conroy, Jim Garofalo, Bill Alberti, and Paul Roy were given a tour of Seymour High School by Principal Cathy Goodrich. Also present were Yashu Putorti, Bruce Baker, Ed Strumello, and Superintendent of Schools MaryAnne Mascolo. The group was shown all areas of the school and made aware of the functions of each room.

There were several discussions concerning the use of rooms or unoccupied rooms and concentration of students. Ms. Mascolo made a point that each teacher should have a room rather than sharing with another teacher.

After the tour of the High School, First Selectman Roy and Bill Alberti took a tour of the 98 Bank St. site. Ms. Mascolo gave the tour and showed how the office is set up.

First Selectman Roy and Bill Alberti were then given a tour of the lower floors by Karen Spargo, Director of Naugatuck Valley Health District. Ms. Spargo was very helpful and gave the committee floor plans of the NVHD area.

The tours concluded at 10:20AM. No discussion was held and tour was adjourned.
