Public Works Director Comment

In the absence of the PW director, Bob Koskelowski Jr. commented on the condition of parks. SHS baseball and softball fields are ready for use. French Park has two mounds of clay on it which have to be spread. Chatfield Park needs a pitching rubber. New fencing will be installed Thursday or Friday at Chatfield Park. A plan was proposed to privatize parks maintenance but it did not prove feasible.

Parks Chairman Report

We have to send a letter to the Board of Selectmen requesting four part time public works employees during the summer. Our budget request was cut by \$4,000. A subcommittee has been formed to study the present field application form & suggest possible revisions.

Applications for Approval

Three additional applications for field use were approved.

The meeting was adjourned at 7:51 PM. Motion by John, 2nd, Bob.
All in favor.

Respectfully submitted,

Bob Lang
Secretary, Parks Commission
