Parks Chairman's Report

- French Park looked great for the Pumpkin Festival. There was much cooperation from public works.
- We should set up an equipment log as we are getting many bills for parts.
- The French Park tennis courts need to be started very soon or we will lose the grant money. A tentative starting date is October 6. Public

works will handle the rough grading and curtain drains with the contractor doing the rest. There are parking concerns and a guard rail is needed near the play scape.

Other Business

- There is playground equipment in Milford that we can obtain at no cost. The pieces of equipment have to be seen before we can commit to accepting the offer. Also, they would have to be appraised to determine their value for a tax write off. A motion was made by Bill Sawicki, 2nd Bob to have Dennis Rozum and Bill Paecht check out the equipment. All in favor.
- There is a leaking irrigation system pipe close to the softball field at the middle school.
