The EMS scheduling will be complete this week. The town skate park may be relocated to the community center. Light bulbs at Matthies Park will be replaced by Joe Belletti. The quality clay from New Jersey is on order. Stone dust will be applied to SCC field and possibly Chatfield Park and Gary Park. Porta potties will be delivered this week. There is no price increase. The Chatfield School play center will be reassembled at French Park. The Civil War monument at that park will be lighted by O'Brien Tech students. The lights are not working at SHS sub varsity field. Thanks to a clean air act grant, we received \$23,600 for equipment including 3 skag mowers, 1 John Deere mower, leaf blowers and weed trimmers. Mulch will be applied at Matthies & French Park playgrounds. Sand & mulch will be applied at Chatfield Park pavilion and Sochrin's Pond pavilion.
