## Applications for Approval

A considerable amount of time was spent in discussion and approval of parks applications for 2011. Some applications were tabled as we needed more information. Bob will put all approved applications on a spreadsheet and deliver it to PW director Dennis Rozum this week. Dennis will see to it that all the information will be installed using the EMS scheduling program ASAP.

## Other Business

Our 2011-12 budget request was explained by Bob.

An upgrade of the EMS software will be installed soon. Mike asked for a counter to be attached to the program to see how many "hits" we're getting.
