## **Public Comment**

None.

## **Public Works Director**

## **Parks Chairman's Report**

Bill brought up the idea of instituting a \$5 fee for all individuals using our park facilities. The money would go into a dedicated fund to be used for capital improvement projects. We will check to see if neighboring towns are doing anything similar.

The Chatfield School playscape has been delivered to French Park. The Chatfield PTA will assemble the structures.

## **Public Works Chairman**

## **Applications for Approval**

There were no new applications for 2010. A revised application for 2011 was approved. Bob will leave copies at town hall, put it on the town's website and

email all groups or individuals who used the parks in 2010 that the applications are available.

### **Other Business**

Bob met with PW Director Dennis Rozum about the lack of progress completing the EMS software installation. In 2011, all approved parks applications will be delivered to Dennis who will ensure they are installed promptly.

For 2011, we have decided to begin our meetings at 7:00. Also, there will be no December meeting this year or next year.

### **Field Usage Issues**

Porta potties were removed from fields before the completion of the Seymour Soccer season. In future years, we will correct this problem.

Bob asked if all windscreens could be taken down ASAP. Bob Koskelowski, Jr. offered to do the work.

The lighting for the French Park Civil War monument has been approved and is awaiting installation.
