Meeting was called to order at 6:08 PM by Chairman, Bill Paecht

The January 25, 2010 minutes were approved. Motion by Mike, 2nd, John, All  
in favor,

## Public Comment

Matt Cosciello spoke in favor of a new travel baseball program in Seymour.  
They will be playing on an intermediate size diamond and need practice time.  
The players are all Seymour residents and also play little league in Seymour.

**Chairman's Report:** The security cameras have been installed at French  
Park (3), Matthies Field (2), and Gary Park (1). They will be operational very  
soon. Funding came from the police department (\$27,000) and parks  
(\$8,000). We have made a request for additional cameras in other town  
parks including the new fish ladder.

Our budget request for 2010-2011 reflects an increase of 19%.

## Scheduling Software

The EMS Lite scheduling software has been purchased. The software was  
downloaded and 3 people will have access to the program - Dawn, Deirdre,  
and Cindy in the first selectman's office.

## Field Usage Issues

Bob Koskelowski, Jr. brought up the need to keep Matthies Field closed until necessary repairs have been made to the drainage system. It all depends on the early spring weather.

## Field Applications

A considerable amount of time was spent approving 2010 field applications. Several applications were tabled until we receive clarification or more information.

The meeting was adjourned at 7:45 PM. Motion by Mike, 2<sup>nd</sup>, John.  
All in favor.
