The Town of Seymour- Open space/Forestland map was reviewed.

A draft Request for Proposals for the Management of Open Space was presented to the commission, those areas that are considered wooded or forested. This RFP will be discussed again at the next meeting for further consideration.

"Crosswinds Sawmill" from Oxford has expressed an interest in the blown-down trees near the Great Hill Reservoir. The company would take the trunks and leave the slash at no charge to the town. He was asked to submit a written proposal. The commission continues to look for creative ideas on how to manage that area.

The next meeting will be held on June 4, 2015 at 6:30 P.M.
