**Discussion and take possible action regarding awarding of Patton Avenue drainage bid**

Dear Mr. Miller,

Nafis & Young opened bids on the referenced project on Tuesday, November 29th, 2016. Four bids were received as follows:

Earthworks Excavating -\$ 71,040.00

Forest Construction - \$99,000.00

Guerra Contraction -\$ 120,350.00

D&P Construction -\$ 276,400.00

We have reviewed the bids and find that they were mathematically correct and proper bid bonds accompanied each bid. The low bidder is deemed responsible and qualified, as they have completed similar work for the Town of Seymour in the past.

Therefore, Nafis & Young recommends that the Town of Seymour award the bid for Patton Ave. Drainage to Earthworks Excavating in the amount of \$71,040.00 once the easement over private property is secured.

If you have any questions please feel free to contact me.

James H. Galligan, P.E.

Nafis & Young Engineers

**Item #11: Discussion and take possible action regarding 139 Maple Street bid award**

Kurt - The Town took possession of this property as a result of a tax seizure. We put it up for sale and received one bid from 37 Maple Street LLC in the amount of \$8,500.

Rich – CGS §7-163E requires a public hearing for the sale of municipal property but isn't applicable here because the value is less than \$10,000. If you're going to entertain a motion to accept the offer, it will be subject to a §8-24 referral from Planning & Zoning.
