Painting the Gazebo

There was general agreement that the gazebo will need painting. Al has put together a list of the work to be done. Mike said that the parks board will be putting several paint jobs out to bid in the spring, and that the gazebo job should be included on their list. He also noted that the town has a job bid template that includes all the necessary legal language.

Bill made a motion that we recommend to the park board that a gazebo painting contract be prepared and the job go out to bid. Second by Wendy. The motion carried 4-0.
