Public Works Director Comments

- Sprinkler systems in all parks will be winterized next week
- Pioneer Paint will be the vendor to supply paint for lining fields
- As park usage winds down, things are going smoothly

Parks Chairman Report

- Lights at the sub varsity field had been tampered with
- Porta potties at all parks to be removed next week
- Last portion of the wall at French Park is being repaired
- Pumpkin festival went well
- We need to meet with SHS athletic director over field usage
- Repairs were made to Gary Park soccer field
- Smoke in the Valley worked out well at its new location - Matthies Park

Approval of Parks Applications

No applications

Other Business

Mike Horbal brought a few issues to the board. The Friends of Broad Street Park Committee presented a list of volunteers whose name would appear on a sign to be erected at the park. Our commission approved the list, motion by Mike, 2nd Bob. All in favor. Another concern was a sealed bid which somehow was misplaced. Mike also mentioned that the land swap arrangement between Seymour Land Trust and the town of Seymour still has not been resolved.

We have found someone to clean the bathrooms at Gary Park and Matthies Park. The timed locks will have to be reprogrammed.

Motion to adjourn at 7:37 by Bill Sawicki, 2nd Mike. All in favor.

Respectfully submitted,

Bob Lang
Secretary, Parks Commission
