Recreation Manager's/Director's Report-

Summer Programming - The Seymour Playground Program (camp) overall went very well. There was an overall success with the new location at Bungay Elementary School. There is an online survey that can be filled out by families who attended Seymour Playground Program. Out of the families who attended, 44% of them completed the survey. 85% of those families said they were satisfied. 52% of the families surveyed said that they would return again next year and 40% of the the families were unsure. Feedback from everyone was mainly that there is no shade; having a pavilion for next year is a possible solution.

Fall/Winter Programming- Seymour Community Services are going to have an ad in Voices for the upcoming fall/winter programs. Discussion took place about the programs that will be offered in the Fall/Winter. These included Zumba Kids, Youth Recreational Basketball League, Travel Basketball League, High School Basketball, Youth Chess Club, Zumba, Indoor Tennis Workshop, 1st Annual Dodge Ball Tournament,

Co-Ed Volleyball League, Family Swim/ Lap Swim, Men's Basketball (Over 30), Fall Men's Basketball (Under 40), and Open Basketball. Twitter – Zack Philippos has created a twitter account. It is @seymourrec.
