Recreation Manager's/Director Report-

Programming:

Dodge ball- Tournament went very well and there was a video of it's success.

Chess Club- The club will be starting again at Chatfield after school.

Karate Class- The class is going well and an adult class is a possibility.

Zumba Gold- This class is geared towards Seniors but anyone is welcome to join.

Turn It Up- This will be available to toddlers, and an option for kids who have siblings in CCD.

Fitness Room- The room was painted and the equipment is going to be delivered after Christmas. The gym will be offered for free the first six months and will be open in January.

Mary and Zack had a quote done for a possible basketball court with a net and ice skating rink for winter done. They are also looking into a golf simulator. The simulator will bring a lot of opportunity to the Community Center with birthday parties, gaming tournaments, etc. The sponsorship banners are up in the gym at the Community Center and look great. Mary also went over the statistics of the Age Demographics of all the registrations for classes and of who uses the Community Center.
