Subject: Re: SHS Softball Committee - Meeting 09/15/16

Guys,

My apologies but the SHS Softball Committee meeting will be canceled for this evening. I have expected that I may not be able to make it with the work week I am having, and it is confirmed for me now.

Please note that Jim has recommended that we take a look at the batting cage renovation with any funds that remain. That will be added to our next agenda.

Chris
