2. Line of march was formulated for order of units as they will appear in the parade.
3. Essays for Memorial Day Essay Contest with theme "What Memorial Day Means to Me and My Family" were reviewed and winners selected. It was decided that the prizes for this year would be as follows: A \$50.00 award to each middle school winner and \$50.00 each to the first and second place winner of the elementary school level as well as \$25.00 prizes to third and fourth place.
4. Winners selected were as follows:Elementary Schools-Sienna Major, Alana Beltrone, Maggie Sudimick, Alyssa Vergati. From the Middle School the winners selected were Matthew Bennett, Katie Bruno, and Mikayla Zedek. All of the winners selected were invited to read their essays at the reviewing stand prior to the parade and would also join the line of march at French park and participate in the parade as it winds its way through the downtown area to the termination point at the Seymour Community Center.
