Item#7: Recreation Manager's/Director's Report

The Recreation Manager stated that the mens 30 plus league will begin in January. The Jump Bunch kids program is underway. The department will be continuing with Marcy's Tennis and the water exercise program. There will be a snow tubing trip to Powder ridge at the middle school this year on Martin Luther King Jr. day. The volleyball coach from Newtown High School wants to bring a volleyball program to Seymour for elementary and middle school kids. A new solution is being used on the Chatfield gym floor in an attempt to make it less slippery. The floor is reportedly less slippery than it was, but still more slippery than it should be. To make the floor any less slippery it will need to be refinished, but there is currently no money to be able to do this. The first week of Rec games at Chatfield went well. There were no complaints or injuries. The Rec center gym is doing great, people are enjoying it and it is being well utilized. The dodgeball promotional video is on youtube. The department has been working on another video since the summer. It displays all programs the center offers, and will be released in January. The department is still looking into the kayak proposal that was discussed in the previous meeting.

Item#8: Public comment

No public comment.
