461 North Main Street Correspondence

J. Baldwin stated that a letter was addressed to the Inland Wetlands Commission in regards to a formal complaint. J. Baldwin stated that the commission had granted approval with conditions to 461 North Main Street and moved along to the ZBA Commission which held a public hearing for

earth and material processing which was granted with stipulations/conditions. J. Baldwin also states that 461 as it exists right now is in compliance with the regulations and they currently do not have any problems with the site. J. Baldwin states that 459 North Main Street has a cease and desist on it for grinding of earth materials and is no longer taking place as the machine has been removed. The material will be slowly removed from the site. D. Thomas confirmed that everything has been brought into compliance at 461 North Main Street. J. Forsyth recommended that the correspondence be sent to the town attorney for review.

Inland Wetlands Officers Report

J. Forsyth stated that he spoke to Mike at the site visit and confirmed that there is nothing to report.
