Essentially the project has stopped and we are waiting for Nosal to deal with Federal OSHA and Lead dust/RRP process to restart the Town Hall window replacements.

Upon an approved plan we will request the restart. Nosal had a payment application in from December in the amount of \$160,254.43 and the remaining monies owed total \$335,736.17. Discussion was held on the value of the remaining work and if there was sufficient monies held to complete the work and punch list items.
