*Note:*

- ) *Traffic Stops may not include pre scheduled selective enforcement details where two or more police vehicles are assigned for specific enforcement purposes (such as Aggressive Driving Grant details).*
- ) *Criminal Arrests are the number of people arrested, not the number of charges, counts or cases cleared. These include arrests made at the time of the incident as well as those filed after an extended investigation.*

**Department Notes:**

- ) A 23 year-old-male was arrested for delivering and possessing cocaine. His arrest is part of a larger investigation that is expected yield additional arrests.
- ) A 26 year-old-male was arrested for delivering and possessing Heroin, crack cocaine, marijuana and psilocybin mushrooms. Officers discovered this operation as they were watching a local motel for a wanted person. The wanted person was located and arrested; however, he was not involved with the drug sales.
- ) A resident was victimized by a computer “pop-up” scam. The victim paid the scammers \$2000.
- ) Officers continue to walk-through the schools in the township. It gives officers the opportunity to interact with kids, parents and staff. We’ve met with SCASD Superintendent Dr. Robert O’Donnell to discuss security measures as well as express law enforcement’s commitment to the safety of our children.

### Community Events

- ) An officer read to a first-grade class during National Read Across America Week.
- ) Officers also presented an active shooter program to a local business.
