A) Continued: Appeal 1063 – William and Cindy Reiman, 76 Hilltop Road, requesting a variance of Section 24.1.1 – Minimum lot area - of the Zoning Regulations in order to convert a seasonal cottage to year round use. Said property is located at 76 Hilltop Road, Moodus, in the L zone. Assessor’s Map 67, Lot 169.

Mrs. Alt read the letter from the Chatham Health District into the record. Board members had questions pertaining to the location, house style, and land availability. The applicants explained that there was no available land to purchase to obtain the required half acre minimum as required in the zoning regulations.
The house was constructed in 1979 by the applicant’s father and at the time was intended to be a year round residence.

An abutting property owner supported the application, stating that it is beneficial to have year round properties amongst the summer cottages.

There were no additional comments offered. The public hearing was then closed.
