Board of Education Resolution

Charlestown Heights Town Council

30 May 2015

A resolution was adopted by the Board of Education at their meeting on May 12, 2015, authorizing the purchase of land for the construction of a new middle school.

The resolution states that the Board of Education approves the purchase of land located at 123 School Road for the construction of a new middle school. The land will be used for the new school's site and will be acquired through a grant from the State Department of Education.

The resolution also authorizes the construction of a new middle school to be built on the site. The new school will be designed to accommodate the growing student population in the town and will feature state-of-the-art educational facilities.

The Board of Education also approved a budget of $12 million for the construction of the new school, which will be funded through a bond issue.

The resolution was adopted unanimously by the Board of Education, and the town's residents are expected to vote on the bond issue in the upcoming election.

Respectfully submitted,
