   Mr. Ventres explained the current GSI system did not include up to date building footprints. The cost to digitize the buildings would be $5,500 and is included in this year’s budget. Mr. Ventres reviewed the proposed system.

   Motion by Mr. Curtin, second by Mr. Pettinelli and unanimously passed to authorize the expenditure of $5,500 for GSI mapping.
Mr. Ventres reported the manufacturer of the digital recorder did not offer additional microphones for the unit and that he would continue researching a better sound system.

6. Discussion
   a. Plan of Conservation & Development
   The following documents were reviewed and discussed. They are filed at the Land Use Office.
   - Town examples of Plan of Conservation and Development findings and summary.
   - Sample letter sent to boards and commissions requesting Planning and Zoning Commission attendance at their meetings to discuss questions for the survey for The Plan of Conservation.
   - Spreadsheet of similar Town’s recently completing a Plan of Conservation including population, demographics and if they used a consulting firm.
   - Spreadsheet of town board and commission meeting dates. Commission members volunteered to attend confirmed meetings. Mr. Gillis reviewed the EDC meeting he attended.

   It was decided to interview consultants to help develop a community survey for the Plan of Conservation and Development. Mr. Brownell questioned if there was money in the budget to hire a consultant to which Mr. Ventres replied yes. Mr. Ventres suggested a subcommittee be formed from various town boards, committees and commissions.

   Mr. Ventres agreed to develop a draft RFP for discussion at the next meeting.

7. Adjournment
   Motion by Mr. Pettinelli to adjourn at 8:17 p.m. seconded by Mr. Curtin and unanimously passed.

   Respectfully Submitted,

   E. Ruth Ziobron
   Recording Secretary
