**Furniture and Accessories**

Mr. Lyman called the Selectmen’s attention to materials in their meeting packets pertaining to a
donation of furniture for the Municipal Office Complex. He stated that the donor wishes to
remain anonymous and that it is difficult to put an exact value on the items as the depreciation on
used furniture is high; typically the multiplier is $.05 to $.10 on the dollar.

Motion made by Mr. Lyman, seconded by Mr. Smith, to accept a gift of various items of furniture
to include cubes/work stations with chairs, demountable walls, file cabinets, conference room
tables and chairs, chairs for the main meeting room, several small round tables for offices,
movable tables for Park and Recreation and miscellaneous electronic equipment for the
Municipal Office Complex valued at approximately $46,000.00 after depreciation and send
acceptance of said gift to the Board of Finance and then to Town Meeting for approval.

In response to a question raised by Mr. Smith, Mr. Lyman advised that it was estimated that it
would have cost approximately $1M in new furniture, fixtures and equipment (FF&E) to fit out
the new municipal offices comparable to the donated items. He stated that Silver & Petrucelli
developed the estimated depreciation value of the donated FF&E items.

Unanimous aye.
