Mr. Parkus called the meeting to order at 7:07 p.m.

**Guests & Audience**

Ms. Anderson introduced herself and reviewed the girls’ 3rd/4th grade basketball program. She requested more flexibility in accepting late registrations on a case-by-case basis and tightening up some of the referee calls for the 3/4th graders. Ms. Anderson recommended a 2 hour practice once a week replace the current 1 hour practice scheduled twice a week and noted that the girls are just hitting their stride at 45 minutes and the parents would appreciate having to coordinate for one practice a week rather than two.

Ms. Anderson and the Commissioners also discussed the track club she manages as well as the possibility for co-ed basketball teams and clinics. They also briefly discussed the pros and cons of students focusing on one sport year-round. Ms. Quinn stated that the Basketball Sub-Committee will consider her comments and recommendations and get back to her.
