   A. Status Reports

      1. EDC Chairman Update

         Mr. Casner reported that he has been participating in meetings with the local haulers regarding the impact on them of the proposed changes at the Transfer Station. He stated that Mr. Lyman is chairing those meetings, that they have been having good discussions and he is hopeful they will find solutions to the haulers’ concerns.

      A. Goodspeed Landing – Ms. Smith reviewed a letter she drafted to the Board of Selectmen concerning on-going maintenance and possible use of the grounds at the old Town Office Site. Mr. Lyman noted that the buildings are being cleaned every two weeks and the grounds are also maintained on a regular basis. He noted that it would be possible to use the grounds from time-to-time for outdoor events but that the use must be pre-approved, on a case-by-case basis, by the Board of Selectmen.

         There was a brief discussion regarding the mandatory site visit by potential developers and, in response to a question raised by Mr. Parady, Mr. Lyman advised that the RFQ does not specify whether the Town will sell or lease the property.

      2. First Selectman Update

         a. Building Department – Mr. Lyman reported that William Thody will begin work as the Town’s new Building Official on April 8th. He will work a 35-hour week and have regular office and inspection hours.

5. New Business

A. Review Tax Incentive Program – Mr. Casner stated that he is reviewing the existing Tax Incentive Program and will provide any recommendations to improve/streamline the program at a future meeting. There was a brief discussion regarding why there isn’t more interest in the program.

B. Farm Tax Abatement Program – Ms. Smith summarized the CT Department of Agriculture’s ordinance Pertaining to Agricultural Property Tax Exemptions and Abatements and reviewed the research she has done regarding the Staehly’s request to have East Haddam adopt the ordinance. Messrs. Kevin and Christopher Staehly reviewed several benefits of the program to both the farm owners and the Town. Ms. Smith reported that the exemption is capped at $100k on buildings that are used exclusively for agriculture. She noted that she had estimated the tax abatement that the Staehly’s would receive and it was minimal. Mr. K. Staehly noted that, even though their abatement would be a relatively small amount, he feels it would be meaningful.

The Commissioners discussed the proposal and agreed to support the Staehly’s request. Mr. Casner and Ms. Smith agreed to draft a letter to the Board of Selectmen supporting a proposal that the Town adopt the state ordinance Pertaining to Agricultural Property Tax Exemptions and Abatements.

C. Swingbridge Repair Schedule & Toll Proposal – Mr. Casner reported that Shagbark had requested EDC arrange a meeting with Sen. Needleman and Rep. Haines to discuss their concerns about delays on crossing the Swingbridge while it is being repaired and the state’s highway toll proposal.
Ms. Haines reported on the current status of the state’s toll proposal and noted there are not yet enough votes to get the proposal passed. She stated that she is meeting with representatives of the Department of Transportation on April 8th and will discuss concerns about delays on the Swingbridge during their construction work. Ms. Haines agreed to follow-up with Shagbark regarding their concerns.

D. Establish a Sub-Committee to Research Feasibility of Creation of a Business District on lower Town Street (Route 82) – The Commissioners reviewed maps of the three business districts in Town. Mr. Casner noted that the Town’s business tax base is low relative to the surrounding towns and there is limited space to expand. He noted that there are currently a number of businesses on lower Town Street and stated he would like EDC to partner with members of the Planning & Zoning Commission to create a sub-committee to investigate the feasibility of creating a new business district in that area.

Mr. Fennema, Ms. Haines, and Mr. Robidoux volunteered to participate on the sub-committee with Mr. Casner and members of P&Z.
