1. Call to Order - Mr. Casner called the meeting to order at 7:03 p.m.

2. Attendance – Mr. Casner sat Mr. Robidoux for Mr. Fennema.

   Mr. Casner noted that there were two guests in attendance that would provide presentations to the Commissioners and stated he would like to allow them the opportunity to speak at the beginning of the meeting. The Commissioners agreed with his recommendation.

   Mr. Robidoux introduced Gena Hamilton of eXact Digitalmedia who provided a screen presentation and overview of her company which offers digital destination marketing solutions. Ms. Hamilton responded to several questions from the Commissioners. She also agreed to do a similar presentation for the 5-town EDC tourism sub-committee that Mr. Casner sits on.

   Mr. Casner thanked Ms. Hamilton for her presentation and there was a general discussion regarding the benefits of marketing the tourism aspects of the Town.

   Mr. Casner introduced Mr. Russell Melmed who was recently confirmed as Director of the Chatham Health District. Mr. Melmed provided an overview of his work history and noted that he has been in his current position for 6 weeks. Mr. Casner reviewed the recent history of the Town’s concerns regarding the services provided by Chatham Health District and Mr. Parady expressed his frustration with the customer service he had received in the past. Mr. Melmed reiterated his philosophy regarding customer service and stated that he has an open-door policy for any client to discuss their concerns.

   In response to a question raised by Mr. Bergeron, Mr. Melmed advised that he has direct hiring/firing authority and that he proposes a budget for Chatham Health District; however, the board has approval authority on the budget. There was a general discussion regarding opportunities for grant funding for the District.

   Mr. Melmed and the Commissioners discussed Mr. Mitchell’s planned retirement in the fall. Mr. Melmed confirmed he has already posted the position for an experienced sanitarian but noted that, if a suitable replacement is not found by the time of Mr. Mitchell’s retirement, while the Town will receive the same quality of customer service, the quantity of time allotted to East Haddam will be limited since he will have one less sanitarian to cover the six towns in the District.
