Motion made by Mr. Lyman, seconded by Ms. Link, to authorize the Town to contract with CIRMA for a three-year budget stabilization program for our liability, auto and property (LAP) insurances for the period of 7/1/2019 to 7/01/2022. Unanimous aye.

C. Cemetery Committee Discussion: Mr. Lyman called the Selectmen’s attention to materials in their meeting packets, dated March 5, 2019, from the two-member Cemetery Committee stating that they are not clear on what their responsibilities are and restating their request “…that the Committee be a full committee, consist of at least five members and have a charge whose duties include, but are not limited to, creation of its budget, oversight of its spending, development of policies, development of by-laws to include rules and regulations to regulate all of the Town owned cemeteries, grant pursuits and to work with the Land Use Commissions to identify and secure property on which to locate future burial grounds.”

Mr. Lyman stated that there has been steady improvement in the condition of the cemeteries since the Facilities Department assumed the maintenance of them and stated that he would ask Mr. Ventres to research whether there is any appropriate space to locate future burial grounds. 9. Public Comment: The following public comment was discussed at the meeting:
Ms. J. Reynolds noted recent media coverage of the problems within the Ambulance Association and the Town’s increased dependence on mutual aid and expressed her concern about public safety.

Mr. Lyman reviewed the steps that have been taken to correct the problems and responded to several questions from Ms. Link. Ms. Link asked that a deadline be set to see a positive turn-around in the mutual aid rate. Ms. L. D’Aquila stated that a plan was developed to address problems within the Ambulance Association that are contributing to the increased mutual aid rate. She reviewed the plan and responded to several questions from Ms. Link.

Ms. J. Reynolds advised that, in April, the Ambulance Association board will participate in a follow-up meeting with the oversight individual from Middlesex Hospital Emergency Medicine to review how the plan is working. She noted several conflicts in the board’s plan with what was recommended by the Middlesex Emergency Medicine oversight staff. Ms. D’Aquila confirmed that it has not yet been decided whether the new Emergency Medical Services Director will respond to emergency calls.

Ms. J. Reynolds suggested combining the Town’s volunteer fire and ambulance emergency crews but Mr. Lyman advised that that may not be possible due to contractual agreements.

Mr. T. Reynolds stated that the Fire Department appears to have a well-organized training program and suggested creating a training operations group for the two organizations. He emphasized the urgency of the situation and stated that the Town must act quickly. He recommended the Selectmen set-up a joint meeting with representatives from the ambulance and fire departments and put all issues on the table so they can be resolved.

Mr. Smith agreed with Mr. Reynolds assessment regarding the urgency of the situation and stated he would like to discuss a resolution to the mutual aid rate at the next Board of Selectmen’s meeting.

Mr. J. Moreau reiterated his concerns regarding the volunteer emergency services departments and encouraged the fire, ambulance and Board of Selectmen to sit down and talk out the issues. Mr. Smith agreed that a solution must be found sooner rather than later.

Ms. J. Reynolds stated that no ambulance volunteer intentionally ignores emergency calls.

10. Selectmen’s Discussion: Mr. Smith and Ms. Link advised that they will not be able to attend the Board of Finance’s budget meetings this weekend. Ms. Link stated that she did not agree with the other Selectmen’s decision to fill the new SRO position with an existing officer and encouraged Mr. Lyman to be prepared to explain the rationale for that decision at the BOF meeting this weekend.

In response to Mr. Smith ‘s request, Mr. Lyman confirmed that he would keep the Selectmen apprized of the progress in the Ambulance Association’s efforts to bring the mutual aid rate down.

11. Adjournment: There being no additional business to discuss, a motion was made by Mr. Lyman, seconded Ms. Link, to adjourn the meeting 8:07 p.m. Unanimous aye.

Recorded Respectfully submitted,
Susan Link, Secretary
