Mr. Lyman asked Ms. D’Aquila to provide an update on the Ambulance Association’s efforts to minimize mutual aid calls. Ms. D’Aquila advised that the Association has signed a contract with Vintech Management Services to supplement the Association’s volunteer staff and that Mr. David
Brown had accepted the position of EMS Director. Ms. D’Aquila noted that she has kept the Ambulance Association’s oversight agencies informed of their efforts to alleviate mutual aid calls and they are pleased with the Association’s progress.

EMS Director Brown introduced himself and provided a brief history of his background and qualifications. He stated that he met informally with Fire Chief Auld and they will continue to work together to deliver high-quality emergency services to the citizens of East Haddam.

In response to questions raised by Ms. Link, Director Brown confirmed that his position with the Ambulance Association is a part-time role and that he will respond to emergency calls whenever possible.

In response to questions raised by Ms. Link, Ms. D’Aquila stated that a retainer fee was not paid to Vintech for their services. She advised that they will be compensated on an hourly basis.
