- Funding for a School Resource Officer was approved by the Board of Finance on June 17th and will go to a Town Meeting for approval on June 25, 2019.

- The bids for the replacement of the High School roof came in lower than expected.

A. Responses to Previous Meeting Questions: The following additional information was provided regarding previous meeting questions:

- Efforts to control speeding on newly paved roads will include a temporary increase in police presence on the roads; however, the Public Works Director continues to oppose the use of speed bumps. Mr. Lyman reported that a resident suggested the use of “optical illusion” paintings on the roads. He stated that the technique is being used outside of the U.S., but they are illegal in the states. In response to a request made by Mr. Smith, Mr. Lyman agreed to ask the Public Works Director to provide any data she has to substantiate her objections to speed bumps.
• The increase in part-time fire-fighters, back to a total of 6, will provide coverage from 6:00 a.m. to 6:00 p.m. but it will not increase the total number of budgeted work hours.

Mr. Lyman asked Ms. D’Aquila to report on the progress of the Ambulance Association’s efforts to reduce mutual aid calls. Ms. D’Aquila reiterated that an EMS Director and staffing agency have been retained to help reduce mutual aid calls. She advised that May was the first full month that both were in place and 63 calls were received that month and only 5 (less than 8%) went to mutual aid.

Ms. D’Aquila reported that the Volunteer Ambulance Association now has 24-hour coverage 7 days a week and they continue to actively recruit volunteers. She noted that the Association will be offering EMR and Stop-The-Bleed courses this summer.
