NEW BUSINESS

a. **Revisit Town Beach Cameras** – Director Conroy stated that she had revisited a discussion of installing cameras at the Town Beach with Facilities Director Turner. She noted that Mr. Turner stated he misunderstood their first discussion and is, in fact, in favor of installing a camera system at the Town Beach. She noted that she had received a quote of $1,840.00 to install two cameras and $25.00 for two non-operational cameras.

   MOTION MADE BY MR. MINER, SECONDED BY MR. CARBO, TO AUTHORIZED DIRECTOR CONROY TO SPEND $1,840.00 FOR A CAMERA SYSTEM FOR THE TOWN BEACH AND $25.00 FOR TWO NON-OPERATIONAL CAMERAS. UNANIMOUS AYE.

She noted that the Recreation Commission has set aside a small amount for the repairs and the Municipal Office Facilities Building Committee has stated that any funds remaining from their project shall go toward refurbishing the tennis courts. She stated that she is not certain when, or if, the funds from the Building Committee will become available and she would like to schedule the work in the next budget season. There was a general discussion regarding the repairs and the Commissioners agreed with Ms. Conroy’s recommendation to request funding in the upcoming budget discussions.

She stated that the annual fee for RecDesk is $3,900.00
