Teaneck Environmental Commission

Draft Priorities 2013 (Revised)

Bike/Pedestrian Plan

- Develop strategy to advance the plan, including complete streets, for consideration by governing bodies.
- Strategy to include gathering information from ANJEC, other NJ municipalities, advocates; and consultation with key Teaneck officials.

Environmental Resource Inventory

- Complete ERI

Improve Intergroup Relations & Coordination

- Chair to regularly reach out to leaders of
 - Shade Tree Advisory Board
 - Hackensack River Greenway AB
 - Parks, Playgrounds and Recreation AB
 - Teaneck Creek Conservancy
 - Friends of the Greenway

Implement Open Space Plan

- Lobby town to acquire new property
- Recommend specific properties for purchase and source of funds, incl 1260 River Road

Advance Sustainability

- Obtain Council approval to merge Sustainability Commission into EC
- Reorganize Green Team
- Assist Town in recertification under Sustainable Jersey Program through taking leadership of some actions, running programs, working with Planning Board and Chamber of Commerce, and advocating for Council legislation
