SURVEY COMMITTEE MEETING  
7:00 PM May 19, 2014  
EAST HADDAM FREE PUBLIC LIBRARY

MINUTES

Attendance:

Committee members present: Lucille Gardner, Maureen Gillis,  
Barbara Kiley, Eileen Schwartz

Also present: Library System Director Michael Gilroy

Committee member absent: Shea Jezek

Meeting began at 7:05 PM. Each committee member had copies of various survey prototypes that had been found online or created by Shea Jezek. Michael reminded us that the survey results would be instrumental in developing the System's Five Year plan. Members worked together to create a survey whose results would help create a stronger Library System and give input for the Five Year plan. The committee will use SurveyMonkey for the online survey, and a paper version of the survey will be available in various locations around town.

Meeting adjourned at 7:50 PM.
