

Please be aware that the day of the 2015 municipal primary will be WEDNESDAY, SEPTEMBER 16, 2015. This is because of the language of Conn. Gen. Stat. Section 9-376 which (1) requires the primary day to be moved if the day fixed for any primary falls on a Sunday or a legal holiday or on a day on which the tenets of a religion forbid secular activity, and (2) requires that if the day fixed for any primary falls on the Tuesday immediately following Labor Day, the primary shall be held on the next succeeding Tuesday. This year both provisions are enacted. The original date set for the primary was the Tuesday immediately following Labor Day. Once adjusted, the following Tuesday fell on a religious holiday. Thus the primary will be held on the next succeeding day.
