

Cemetery Committee

December 19, 2019

5:00 pm

Municipal Office Complex – Room #6

Deb Denette, Cary Brownell and Carleen Quinn (BOS Liaison) were in attendance:

For the benefit of Mrs. Quinn, Mr. Brownell and Mrs. Denette reviewed the history of the Committee and the challenges that it faces due to the lack of a formal charge. The various attempts offered by the Committee over the past several years to establish such charge was also reviewed. Mrs. Quinn concurred with the recommendations of the Committee.

The draft ordinance (which establishes a charge) prepared by the Committee was reviewed. No changes were recommended. Mr. Brownell questioned whether it was more appropriate for the town's attorney or the town's land use attorney to provide a final review. It was determined that the draft be sent to the Board of selectmen to make sure that the Board concurs with ordinance prior to moving it forward.

Mrs. Denette agreed to draft the memorandum to the Board of Selectmen.

The Committee adjourned at 5:45 pm.
