EAST HADDAM LIONS CLUB
ANNUAL SUMMER AUCTION

For decades, our annual summer auction in July has been a primary source of fund raising for us. 100% of the revenue raised by the East Haddam Lions Club is returned to the community and Lion's programs.

However this year, certainly along with many other organizations, we are suffering from a lack of donations to our auction. As members of the same community, we are taking this unprecedented step of asking area merchants and businesses to consider donating goods or services to our auction.

Perhaps providing a service is part of your business, or you have surplus inventory or a good you could provide—anything of reasonable value to support our auction. You could take a foursome to the golf course or theater, prepare an elegant dinner at your home for guests, or invite people to your vacation home. There are many ways you can donate!

BELOW IS A SAMPLE LIST OF THE PROGRAMS SUPPORTED BY
OUR CLUB AND LIONS EVERYWHERE:

COMMUNITY PHONE BOOK

This year we need your help! If you can join with us in this endeavor, please contact the members listed below, or any Lion you know. We will announce and list all donors in a special auction program. Support Lionism—support your community!

The East Haddam Lions Club and recipients of Lions' service everywhere thank you.
