Dear Connecticut Trails Day Supporter

Connecticut Trails Day is fast approaching! On the first weekend in June we will celebrate trails around the State with free, guided events available to beginners and experts alike. We are gearing up for another great event this year. This celebration is the only one of its kind in the State and we appreciate your help spreading the word.

Thanks for making these Trails Day booklets available to your visitors/ customers and prominently displaying the included poster. You are a key distribution point where families, outdoor enthusiasts, boaters, wildlife enthusiasts, history buffs, really just about anyone, can pick up this annual guide to participate in our Trails Day celebration.

Thank you for being a part of the largest Trails Day Celebration in the country. YOU help make it happen!

Also, we welcome your feedback. If you run out of booklets, have any questions, or would like to share any input with us, please do! We are eager to improve and would love the opportunity to speak with you.

Happy Trails!
