CITY OF OCEAN CITY
ORDINANCE NO. 15-12
Master Plan Consistency Report

Introduction.

Ordinance 15-12 - "An ordinance amending and supplementing the Revised General Ordinances of the City of Ocean City (Residential Mechanical #1)" was introduced on first reading by City Council on March 26, 2015. According to the March 27, 2015 referral from the City Clerk, Ordinance 15-12 will be advertised according to law and is scheduled to have second reading and public hearing at the April 23, 2015 City Council meeting.

The "Municipal Land Use Law" provides the Planning Board with thirty-five (35) days from the referral date to prepare, review, adopt and transmit their consistency report regarding Ordinance 15-12 to City Council. NJSA 40:55D-26 describes the Planning Board's responsibility regarding the master plan consistency review as follows:

"... the planning board shall make and transmit to the governing body, within 35 days after referral, a report including identification of any provisions in the proposed development regulation, revision or amendment which are inconsistent with the master plan and recommendations concerning those inconsistencies and any other matters as the board deems appropriate."

While formerly only zoning ordinances and amendments thereto were required to be submitted to the planning board, it is now clear from the wording in NJSA 40:55D-26 that all "development regulations" must be referred to the planning board for comment and report. The statute requires that every zoning ordinance must "either be substantially consistent with the land use plan and housing plan of the master plan, or designed to effectuate such plan elements." The "Master Plan" referred to herein is the City of Ocean City Master Plan adopted February 3, 1988, and as subsequently amended by the Planning Board.

Ordinance Summary.

Ordinance 15-12 revises the City Code as follows:

- The *Design Incentive* qualifications (§25-204.27.1a) are amended to promote greater flexibility in the design of street-facing building facades. In particular, the amended section allows an open roof design for the front porch in addition to a traditional roof, or pent roof/ rail combination.
- The keeping of non-domesticated animals or livestock is added to the *Prohibited Uses* section of the City Code §25-203.5.

Analysis and Conclusion.

As noted above the Planning Board's responsibility in terms of the master plan consistency review is to identify any provisions in Ordinance 15-12 which are inconsistent with the Master Plan, and make recommendations concerning those inconsistencies and any other matters as the Board deems appropriate.

In defining "substantial consistency" the Supreme Court in *Manalapan Realty v. Township Committee* made it clear that some inconsistency is permitted "provided it does not substantially or materially undermine or distort the basic provisions and objectives of the Master Plan." The "Municipal Land Use Law" does not define the term *inconsistent*.

Ordinance 15-12 increases design options for the front of residential buildings and prohibits the keeping of non-domestic animals, and in so doing advances the following Objectives of the Ocean City Master Plan:

- *To promote a desirable visual/physical environment for residents and visitors by updating the City's ordinances and through creative development techniques that recognizes the environmental assets and constraints of individual development sites.*
- *To promote architectural detail and design standards as essential components of new development.*
- *To maintain and upgrade the City's housing stock.*
- *To encourage coordination of the numerous regulations and activities which influence land development with a goal of producing efficient uses of land with appropriate development types and scale.*

In addition to the above Master Plan Objectives, Ordinance 15-12 will *promote orderly development and prohibit incompatible uses* which are identified as zoning purposes in the City Code.

I have carefully reviewed Ordinance 15-12 and the Ocean City Master Plan. Considering the Master Plan Objectives noted above and NJSA 40-55D-26, it is my professional opinion that Ordinance 15-12 is consistent with the Master Plan.

MEMORANDUM

TO: CITY COUNCIL

FROM: MICHAEL DATTILO 

DATE: APRIL 21, 2015

RE: CITY CONTRACT #15-14
SUPPLY / INSTALLATION OF SKATE PARK

This resolution will award a contract for the building of the Skate Park in the 500 block of Asbury Avenue.

The successful bidder is Spohn Ranch, Inc. of Los Angeles, CA. Spohn Ranch has constructed safe and fun facilities such as this throughout the world and comes very highly recommended by several other New Jersey and regional communities where they have worked.

The design of the park was developed to provide an appropriate degree of challenge and fun for the users balanced with safety. There has been an extensive amount of input from the local skate community.

This contract is contingent on final approval of the design by the JIF and MEL to insure liability coverage. With the assistance of Bill McMahan, we have been in discussions with the JIF/MEL and have provided them everything they have required.

You will recall that we have been awarded \$500,000. towards this project from the Cape May County Open Space Program. We will be reviewing the final design with them as well.

If you have any questions please let me know.

CITY OF OCEAN CITY
CAPE MAY COUNTY, NEW JERSEY
RESOLUTION

#11

**DESIGNATING FIRST FULL WEEK OF MAY EACH YEAR AS
 "COAST GUARD COMMUNITY WEEK" IN CAPE MAY COUNTY
 AND ESTABLISHING 2015 "COAST GUARD COMMUNITY FESTIVAL"**

WHEREAS, Cape May County is home to the "USCG Training Center Cape May" ("TRACEN"), which is the fifth largest Coast Guard base in the world and the nation's only Coast Guard recruit training center, and which also houses tenant commands engaging in missions such as vessel support, participation in air/sea rescue, investigative services, communications and homeland security services; and

WHEREAS, after several levels of Coast Guard flag review and approval, and confirmation by the United States Congress, Cape May has been awarded the designation of "Coast Guard Community," a distinction awarded to only one other county in the United States; and

WHEREAS, the designation of "Coast Guard Community" will endure for five years, at which time it shall be reviewed by the Coast Guard to determine whether it should be renewed for another five-year term; and

WHEREAS, the Coast Guard's involvement in Cape May County dates back over a century to that of its predecessor, the United States Life-Saving Service, with a significant ensuing presence in multiple towns throughout the County—ranging from the small life-saving stations that graced our coastlines before the advent of advanced search-and-rescue technologies, to the historic North Wildwood lighthouse tended for decades by Coast Guard keepers, to the Woodbine Uniform Distribution Center where uniforms and accessories such as service medals are shipped to Coast Guard bases around the world, to TRACEN's massive modern presence on hundreds of acres of land and coastline, with a complement of more than 850 full-time military and civilian personnel and a graduation rate of more than 2,300 recruits yearly; and

WHEREAS, Coast Guard families have become an integral part of our County's rich fabric as our family, our neighbors and our friends, participating in our interdependent "Cape economy" and engaging in daily activities that provide powerful steppingstones, as well as memories, for our futures; and

WHEREAS, the people of Cape May County desire to take all possible steps to acknowledge and protect the strength and enduring nature of these ties.

NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of Ocean City, County of Cape May that:

1. The designation of "Coast Guard Community" shall be accepted by the City, as a great honor and with great pride, at a Proclamation Ceremony to take place on May 8 at TRACEN; and
2. To celebrate the designation and its status as a "Coast Guard Community," the County shall co-sponsor an annual "Coast Guard Community Festival," to be celebrated this year from May 8 to May 10; and
3. Beginning in 2015, the first full week of May of each year shall be celebrated as "Coast Guard Community Week" throughout Cape May County.

 Anthony P. Wilson, Council President

Offered by Seconded by

The above resolution was duly adopted by the City Council of the City of Ocean City, New Jersey, at a meeting of said Council duly held on the day of 2015

CAPE MAY COUNTY, NEW JERSEY
RESOLUTION

#12

**OPPOSING ANY OIL OR NATURAL GAS
DRILLING OFF THE EAST COAST**

WHEREAS, The Obama Administration has proposed opening areas off of the east coast to oil and natural gas drilling; and

WHEREAS, The federal Bureau of Ocean Energy Management is exploring the beginning steps to developing an offshore leasing program where huge areas off of the east coast would be available for exploration and eventual drilling by energy companies; and

WHEREAS, for decades oil companies have been barred from drilling under a moratorium what was in place until 2008; and

WHEREAS, this proposal has great risks including the potential catastrophic consequences of an oil spill; and

WHEREAS, this proposal presents great risk for local economies dependent on tourism, as well as risks to marine life and habitat.

NOW, THEREFORE BE IT RESOLVED, by the City Council of Ocean City, NJ that the proposal to open areas off of the east coast to oil and natural gas drilling is contrary to the interests of Ocean City and the State of New Jersey; and

BE IT FURTHER RESOLVED, that copies of this resolution be sent to President Obama, Senator Menendez, Senator Booker and Congressman LoBiondo.
