 - We are planning our last planting of plants in late March/early April dependent on what plants we get.
 - Jim Tweed recommended that pictures be taken of the dune after the two storms that have occurred. This will be done in the near future.
- Fall/Winter Lecture series
 - Our next lecture series speaker will be Randy Scheule to talk on “The Ocean City Strategic Recovery Planning Report.” Date is set for March 16th at 6:30 PM at the Ocean City Library. Potential speakers discussed for future lecture series events included Crist Robine of Stockton or someone from the Rutgers New Jersey Agricultural Experiment Station, Cooperative Extension of Cape May County for April 20th, and the Cape May County Municipal Utilities Authority for the last lecture May 11th.
 - Donna Moore was tasked to get Crist Robine, but she was not present at the meeting. We do not know where that stands.
