Public Comments

- None

Pending Business

- Submitted Plan Review
 - There were 12 CAFRA, 11 Zoning, and 6 Planning Board submissions for review, five (5) were noted with comments.
- Native Planting Project
 - Beach Plums are available for planting, locations to be verified with Administration. Administration advised there is no location for planting at this time.
 - will revisit for spring 2021 plantings
- R. Bernardini presented a photo of Terrapin Activity warning sign from Strathmere; suggested a student project to install a similar sign on 34th Street.
 - Student Liaisons presented 2 schemes. Liaisons are to provide a summary of student activity to support the program and the sign layout to Rick Bernardini, which will be forwarded to the Administration for approval and implementation.
- R. Bernardini noted that our informational flyers/fact sheets do not seem to be available at any city public location.

- Rick Bernardini and Jim Edwards met with Doug Bergen, who provided various press contacts and sources for information circulation.
- Brian Kempf and Jim Edwards will investigate reformatting to fit City display racks.
 - 5 brochures were created to be forwarded to the Administration for review and issue to the public and realtors.
 - investigate e versions for posting
- R. Bernardini noted that Upper Township held a rain barrel workshop on 11/12/19. He contacted the Cape May County Watershed Ambassador for an OC event in May/June.
 - A barrel source was identified, a June day will be investigated for the lecture and build-it workshop.
 - CANCELED due to pandemic, revisit for future session
- 2 New Alternate Commissioners were added to the Commission in March,
 - Crystal Philips has not responded to outreach to participate.
- ANJEC
 - Catherine Cipolla to review Grant opportunity for Community Gardens
- Discussion of future Commission activity
 - Lectures - ON HOLD
 - CRS and Flood Insurance
 - Wetlands Protection
 - Gardening and Composting - coordinate with Shade Tree Commission
 - Osprey habitat
 - Solar power and LED - coordinate with Atlantic City Electric
 - Flyers
 - Reusable bags
 - Monarch butterflies and Milkweed
 - Composting
 - Betsey Lehman and Jim Edwards to investigate joint Composting and Butterfly programs with the Shade Tree Commission

New Business

- Visit to the high school hydroponic garden.
- Passive rainwater control, such as bioswales

Meeting Adjourned at 7:15 PM. Motion to adjourn was made by Brad Jungles and seconded by Betsey Lehman. Motion was approved unanimously.

Next Meeting: Tentative - Tuesday, August 11, 2020, at 6:30 PM, via ZOOM or at the Senior Center.
