“CHANGE GOES IN. *CHANGES* COME OUT.”

October 2018

Dear Friends,

You and many other wonderful people continue to be a major part of the history of The Salvation Army in Delaware. Your selflessness with your time and talents allowed us to support 30,000 plus within our State. It proves that Delawareans trust The Salvation Army to do the most good possible with the “pocket change” placed in the kettles. All we need is to be present and pleasant, and they will provide the means.

Our economy continues to improve. What we have witnessed and experienced strengthens our resolve to continue to do even more this year.

Volunteer bell ringers can help us raise \$50 an hour and more. Imagine the good those funds have done and continue to do, helping families with food, utilities, rent and more. A few hours or more can make a difference. Remember, smiles make a difference, and thank you’s warm the heart.

We begin on Friday, November 17th, and will be present until Monday, December 24th. Our gracious host locations give us an allocation of time, and we must make the most of it. Please consider supporting this year’s effort. We hope to, once again, see our efforts culminate in a record breaking “gift” to others.

I have enclosed sign-up sheets, and a list of host locations. I look forward to hearing from you so that each kettle day is filled, and each host location will always have a volunteer bell ringer for the upcoming season.

If you have any questions, please do not hesitate to contact me at (302) 378-5059 or cell phone 373-8200

Sincerely,

Jim Young
