

# Help us plan for the future of Southern New Castle County!

The Wilmington Area Planning Council (WILMAPCO), New Castle County, and the Delaware Dept. of Transportation are developing the Southern New Castle County Master Plan. Help shape a vision for transportation and land use and determine how that vision can become reality.

In order to provide ample opportunity for public input, a second Public Visioning Workshop is being held. This workshop will repeat the same information as the previous workshop in Odessa. This workshop allows participation by those who were unable to attend the previous workshop.

Wednesday, March 13, 2019  
6:00 to 8:00 pm  
Volunteer Hose Company of Middletown  
27 Green Street, Middletown

Please register in advance at [www.wilmapco.org/sncc](http://www.wilmapco.org/sncc).
