## **Commitment to Community Services**

Over the past 12 years, the Middletown Police Department has been dedicated to continued community service. As a department, officers provide services beyond public safety, in an attempt to develop a trusting relationship with the Middletown community. This year's version of National Night Out sheds light on opioid awareness and hopes that this event will once again bring the community together in support of this initiative.

Join the Middletown Police Department at Middletown High School as Middletown Goes Purple in support of opioid awareness and prevention. Meet your local and state public safety professionals.

There will be vending opportunities for area businesses, civic & social organizations. Nothing is to be sold to the public during this event, instead organizations can give free giveaways in terms of promotions.
