

Electronics Recycle Drive

October 5 - 8am-11am

Recycle old electronics.

Help the environment. Support people.

what?

Let's give back together - to the environment and to the community. In cooperation with local electronics recycler, Comprenew Environmental, we are hosting a free electronics recycling drop off event.

where?

River City Flooring

3307 Hudson Trails Drive,
Hudsonville, MI

why?

Electronic waste is a growing concern to our environment. When put in landfills, e-waste can leak harmful toxins into our soil and water. We earn two cents per pound on all donated electronics. We will also be accepting donations on site because all profits will go to support our local community. This year's beneficiary of funding is Love In the Name of Christ. (Learn more at www.loveinthenameofchrist.org)

Love INC
Love In the Name of Christ

who?

Members of the Hudsonville Area Chamber of Commerce have partnered with Comprenew Environmental, a division of Worldwide Christian Schools and a Grand Rapids-based nonprofit electronics recycler. (www.comprenew.org)

details?

Cash donations will be accepted on site. All accepted recycle-able items are listed on the back of this flyer.

Questions? Call Michelle Fare at 616-662-0900 or email director@hudsonvillechamber.com
