April 15, 2021

I am pleased to announce the Town of Plymouth's partnership with Point & Pay, LLC. This new collaboration will provide taxpayers additional options when paying their municipal taxes and sewer use fees.

Beginning on May 3, 2021:

- All major Credit/Debit cards will be accepted at the window for both taxes and sewer use fees.
- Electronic Checks can be processed in person.
- Sewer fees can be paid online.
- Our online payment processing website will be more user-friendly.

We are hopeful that these changes will make the payment process more convenient for our taxpayers. Please be patient as the staff gets acclimated to these updates and resolves any technical difficulties that may arise.
